

CrossPointe Women Countdown to Christmas Week 5 Challenges

- Keep working on that Christmas Card list!
- Make ¼ of your gifts to make this week.
- Dig out those decorations from last year. Use the [Holiday Decoration Inventory](#) to record what you have and what you need. Check those lights to make sure they all work, then add replacements to your Master Shopping List if needed.
- Prepare for Thanksgiving dinner, baking desserts and salads ahead of time.
- Begin interior and exterior decorating (after Thursday ☺). Plan your décor – whether you only have a small tabletop tree or a house filled with festive holiday goodies, planning for decorating and storage may be in order.

- As you trim your tree this year, consider preserving the memories associated with the ornaments you are hanging. Use the [Ornament Memories Journal](#) to keep the memories alive for you and your family in the future.
- Continue Christmas gift shopping. Divide the master gift list into five sections. Purchase gifts for one-fifth of the List entries. Wrap gifts as they are purchased and keep track of your expenses and receipts in your Christmas Planner.
